## Meda

Meda is a super-soft fabric with a high pile and vibrant colour brilliance that turns every piece of furniture into a showpiece. The large amount of material per metre gives Meda an exclusive look. The yarn is also inherently hard-wearing and suitable for everyday use. Wash at 30°, gentle cycle, gentle spin.

Category G

65 % PC, 35 % PL

Abrasion cycles: 40.000

Light resistance: 4

Pilling information: 3 to 4
